Programme: “Partnership between the EU and the Government of Kenya to advance the Blue Economy Agenda through Coastal Development – “Go Blue” – Italian Cooperation Component FED/2020/419-534”.

PROGRAMME BACKGROUND

Go Blue programme is funded by the European Union in coherence with the strategy of the Kenya Government to prioritize the sustainable use of ocean resources for economic growth, livelihoods and jobs. Yet, the potential for inclusive and sustainable growth is not fully exploited in fisheries and agriculture: food security, job creation and economic growth in the Coastal Region. The Coastal Counties Economic Bloc “*Jumuiya ya Kaunti za Pwani*” (JKP) aims to draw a cooperation framework towards socio-economic empowerment of people in the region.

The Italian Cooperation Project component is in line with the EU Action Document for Coastal Economic Development in Kenya “Go Blue”. The Italian Project **Overall objective is to contribute to coastal economic development in an inclusive, integrated, participatory and sustainable manner.**

The action aims to overcome key constraints that limit production and access to markets for small scale fisheries actors and cassava smallholder farmers through a value chain approach.

The **Project specific objective:** “*Strengthened inclusive and sustainable blue economy value chains*” is split into three specific outcomes geared toward the attainment of outputs with related activities as illustrated:

- *Outcome 1: Enhanced fisheries co-management and strengthened fisheries value chains for shared prosperity, inclusive economic growth and job creation;*
- *Outcome 2: Improved capacity of farmer groups to operate along the cassava value chain;*
- *Outcome 3: Enhanced capacity of JKP Secretariat to deliver its mandate including formulation of integrated strategies and economic blueprints for sustainable and inclusive growth of the Coastal region.*
